# The Grove City Division of Police

## Crime Alert

**RE: Scrap Metal Theft OCA 121562 12.CA.35**

**DATE: May 1, 2012**

On April 21, 2012 at 4:34AM the pictured truck enters the parking lot of Denier Electric located at 4000 Gantz Road Suite C Grove City, Ohio 43123. The truck leaves at 4:44AM with scrap metal that belongs to the company. On April 23, 2012 at 1:15AM the truck returns and leaves at 1:23AM with more scrap metal. The video quality is not great but both times it appears the truck drives by to scout the business before stealing the metal.

A truck driver has observed a white over silver Dodge truck on their parking lot near the trash. A young man and older man occupied the truck at that time. Please contact Detective Eric Scott at 614-277-1752 if you have additional information.
